

To,  
The HR Department,

Respected Sir / Madam,

Myself Maqsud. R. Mujawar completed my Diploma in Mechanical Engg. 2002.

Currently working in **Frames Process Systems, Pune**. Division of Frames Group, Netherlands. Pioneers in Oil & Gas Projects. Providing design & detailing services to all the leading oil companies.

Also I had worked for Dimension I , Delhi. For project work I have deputed to our clients office in Mammut Building Systems, Dubai for last 10 months. Mammut is leading Structural steel structure manufacturer in Dubai. My job profile to make 3D Modeling, proposal & detail fabrication dwgs. And checking details dwgs. Also I have got training on Tekla 12.0. for basic modeling. & detailing..

From Last Five years I working in drafting & detailing field .During this span I have worked with leading cad service providers of Pune like Digitise IT & Transweb Solution Ltd. They provide drafting and detailing service to the leading companies of India like Thermax, Thyssenkrupp , Tata Power, E-house UK, Corrolo-USA. So I have worked in all types of projects.We have to follow given specifications and requirements of clients. Therefore I have good experience of working on live projects and with time limit.

I have worked with Transweb Soultion Ltd. as Project Co-ordinator. My job profile is collect input from clients, distribute work into draftsman's, give them estimate time, make schedule of drawing, checking and submitting of drawing, communication with client online & phone, Problem solving of draftsmans, etc.

I have good hand on Industrial Structures and handled structural projects for

(1) For Thermax Boiler House structure, equipment mounting structures, Chimneys, ductings, heat exchangers, storage tanks, bunkers, etc.

(2) Thyssenkrupp - Conveyors & Trusses.

- (3) Shapporji & paloonji Co. , Trusses, Walkways, Structure Bridges  
(4) Mirco Dynamics, Pune ; Turnkey projects, Shell type boilers, etc.

Waiting for your favorable reply.

Regards,
